PROGRAM 2005 35th ANNIVERSARY RECITAL

"ALICE IN WONDERLAND"

When Alice follows a white rabbit down a rabbit hole and into a magical land, she meets all sorts of unusual characters. While searching for her gloves, the rabbit mistakes Alice for the maid and sends her into the house to clean. Alice is surprised to meet the butterfly, caterpillar, duchess, maids, and the Cheshire cat. The second place Alice wanders is into the garden of live flowers. She watches the flowers dance, then joins them with the princess.

After Alice has traveled through the garden of the live flowers, she comes upon a great party. She hasn't been invited, but the March Hare comes over and asks her to join in the celebration of the Tea Party. After the tea party, Alice continues wandering in the magical land and comes to a scary part of the forest where she encounters the Jabberwocks. She is very frightened but eventually gets away from these creatures. Then Alice sees her Reflections, the Roses being painted, the Garland Flowers, the cards, and the Princess. The story ends when the Queen of Hearts dances with Alice and the Rabbit to show Alice how to overcome her fears. Alice says Good-Bye to all of her friends and goes back to her world.

Shirley MacLaine once said: "Dance is an art that imprints on the soul; It is with you every moment, it expresses itself in everything you do. I am very proud of the fact that this is my 35th consecutive annual dance recital. I feel extremely blessed to be working in an area that I truly love every minute. I want to thank all of my past, present, and future students, parents, and instructors for helping make this career possible. I look forward to many more years. Hope to see you in the Fall. Have a great Summer.
